VALUABLE TEACHERS...

We would like to offer you community support in the form of speakers and classroom assistance in answering questions about money... finances! We would be happy to come in and talk to students about: budgeting, checkbooks, saving, careers, buying that first car, credit cards, and any other topic that would compliment your lesson plans. We have a great money familiarity game... it's fun for students of all ages!

Please give us a call and schedule a date for us to visit your classroom.

International Credit Union Day

October 16, 2003

Credit Unions live and breath the 'people helping people' philosophy 365 days per year. That's a difference worth celebrating – on International Credit Union Day!

This year's theme, "Credit Unions: The Heart of Our Communities", honors the central role your credit union plays in so many lives.

Please join us in celebrating this day – we will have balloons, door prizes, and refreshments in each of our offices.

Thursday, October 16th - stop by and make this

ChildSpree 2003

ChildSpree is a back-to-school shopping spree for economically disadvantaged children. The reason for the project is not only because kids need clothes to stay warm and covered... there is an equally important emotional purpose; raising self-esteem.

This event is very near and dear to Linn-Co employees!!!

It is one of the favorite ways we use our Community Fund. Again this year, we helped 265 kids get ready for school. Linn-Co volunteers staff two stations at this event sponsored by Mervyn's and Altrusa. Eight Linn-Co volunteers marked the kid's names on their new clothing and three volunteers worked the food table. We provided breakfast for over 500, including parents and volunteers. Then a healthy 'snack sack' was sent home in each of the 265 kid's new backpacks. This early morning Saturday event always proves to be very rewarding.
